We are going to talk about education, especially different types of schools in England and in our country.

Let us say

**"What schools are there in your country?"**

- Live and learn.
- To know everything is to know nothing.
- The roots of education are bitter, but the fruit is sweet.
- As for me all I know is that I know nothing. (Socrates)
- Knowledge is like money: the more he gets, the more he craves.
- All wish to possess knowledge, but few, comparatively speaking, are willing to pay the price.
- You can take the horse to the water but you cannot make him drink.

- 1.Век живи, век учись.
- 2.Знать все – значит не знать ничего.
- 3.Трудно в учении, легко в бою.
- 4.Что касается меня, то я знаю только то, что я ничего не знаю.
- 5.Знания подобны деньгам: чем больше Вы их имеете, тем еще больше Вам хочется их иметь.
- 6.Многие хотят обладать знаниями, но сравнительно немногие готовы заплатить за них требуемую цену.
- 7.Можно привести лошадь к воде, но заставить ее пить нельзя.
